

After the successful publication of my first [songbook](#) several years ago many musician friends have suggested I do a second one. During the Covid 19 pandemic of 2020, with more time on my hands than ever, I spent several enjoyable hours formatting volume 2. Unlike the first book this one is digital only, contains links to online reference recordings of each piece, and is free – my gift to the music community which has given so much to me over the years. All of the tunes are notated with chord symbols and some have written-out harmonies, as a guide, but I hope you'll explore inventively and come up with your own stuff. Enjoy! Maybe some day I'll be walking into a club or concert hall and hear something and say, "Hey, that sounds familiar!" Feel free to print out the digital pdfs and to share with friends.

Table Of Contents

1. Euterpe – A college literature course introduced me to this Greek muse of poetry and music.
2. Exuma – I tried to capture the simplicity and beauty of this Bahamian island and it's people.
3. For Woff – Pianist Mike Wofford was an early influence, and his playing and writing continue to inspire and delight me.
4. Jolie Joelle – A stately dance for a regal and elegant lady.
5. Kalavrita – A music seminar took me to this mountain-top Grecian town, where the lovely people and natural surroundings inspired this piece.
6. Lagrima Agradecida – My first trip to Brazil gave rise to this Bossa Nova, whose Portuguese title translates to "thankful tear."
7. Madrugada – Composed while visiting my friend (and co-composer) Alfred Kwiatek, at his beautiful villa on the island of St. Barts.
8. Mark David – Written in honor of my two brothers, Mark and David Mays.
9. One Of These Days – Penned during the pre-election days of 2020, and in the midst of the Covid pandemic, the title was based on the rhythm of the first four notes.
10. One To One – An important musical relationship in the early 1990s with bassist Ray Drummond gave rise to this tune (also the title of our duo and our first CD).
11. Quietly – Written for my dear friends, Alfred and Joelle Kwiatek.
12. Snow Job – A snowstorm in Canada was the backdrop for the composition of this tune, a contrafact based on a wintertime holiday tune.
13. Sun Of The East – Play with the title of this tune to see what famous standard from the 1930s it's based on.
14. Surprise Samba – While living in California, I was a member of trumpeter Bobby Shew's band and contributed this samba to his library.
15. Ten, Chelsea Evening – this ballad, with evocative street sounds of New York City's Chelsea neighborhood, was a musical gift to my wife, Judy.
16. You've Forgotten Me – Based on a standard from 1941; I took that tune's melody and inverted it to come up with this contrafact.
